

HON and Allsteel, industry leaders in workplace furnishings, are in search of an **International Business Intern** to join our team in Muscatine, IA!

HON and Allsteel, two leading brands under HNI, have summer internship opportunities for students pursuing a degree with focus and interest in international business.

Each summer, 70+ students from a variety of majors, join the HNI family for a summer focused on hands on learning, professional development and networking.

Some of the essential aspects of the position include:

As an international business intern with HON and Allsteel, you join a fast-paced, highly visible team with a vision and passion for implementing solutions and exceeding our customers' expectations. While no day will be the same, you can expect to put the knowledge you have gained in the classroom to use each and every day in a variety of experiences. Our interns are challenged and charged with continually seeking better ways of conducting business . . . continually asking . . . How can this be improved?

Each summer, interns receive a project (or two!) for the summer and work directly with a mentor for technical and professional guidance. Throughout the summer, professional development sessions are provided for interns including opportunities to learn from and network with senior leadership.

Outside of work, interns from HNI enjoy professional and social networking opportunities throughout the company and community. This is a paid internship(\$18.00/hr); housing is provided if needed.

What it takes:

- Pursuing a four-year degree in international business or a related field
- Attained high academic achievement in their education pursuits
- Strong leadership characteristics and active in college activities
- Ability to work in a cross-functional team environment
- Adaptable and flexible
- Strong communication skills are required
- Knowledge and experience of MS Office applications and email/internet skills are required

Additionally, candidates must demonstrate the ability to efficiently and effectively provide administrative services, possess the ability to present information to groups, must be able to work with all levels of Members, multi-task, maintain organization, and possess positive and professional interpersonal skills.

Applied knowledge working with suppliers and/or transportation to support international operations is preferred.

Spanish speaking proficiency is also preferred.

Qualified candidates, apply today!

Why HNI Corporation?

HNI Corporation (NYSE: HNI) is a manufacturer of workplace furnishings and building products, operating under two segments. The *workplace furnishings segment* is a leading global designer and provider of commercial furnishings, going to market under multiple unique brands. The *residential building products segment* is the nation's leading manufacturer and marketer of hearth products, which include a full array of gas, electric, wood, and pellet-burning fireplaces, inserts, stoves, facings, and accessories.

As one of the larger employers in Iowa, HNI Corporation has been ranked by *Industry Week* magazine as one of the "Top 100 Best Managed Companies in the World", by *Fortune* magazine as "The Most Admired Company" in the furniture industry; and named by *Chief Executive Magazine* as one of the world's best companies for leadership development.

Leveraged Furniture Operations (LFO) is the branded name for our furniture manufacturing and operations structure. This encompasses all roles in manufacturing, plant engineering, supply chain, distribution and logistics, as well as some roles in finance and accounting, and human resources. By centralizing these key functions, we enhance our efficiencies, reduce costs, and ultimately improve our customer's experience with HNI! When you accept a role in LFO, you'll have the opportunity to make a significant impact on both our future and yours with work that matters, empowerment and autonomy, and growth without limits.
